This boat is designed for great weekend or evening cruises. It is versatile enough for everyday fishing for the whole family. With a comfortable spacious deck for the kids to play while you are fishing the day away. It also makes for great water sports. A perfect boat for a young family. Sleek lines combine with function to offer one of the best riding, best looking, and thoughtfully laid out dual consoles on the market today. From the spacious bow which converts from a lounge to comfortable seating, to the transom seats which can be removed to allow for offshore fishing, this boat has Wow! factor from one end to the other.
