This boat is designed for great weekend getaways or evening cruises. It is versatile enough for everyday fishing for the whole family. With a comfortable cabin you can bring the little ones and they can play downstairs while you are fishing the day away. It also makes for great water sports. A perfect boat for a young family.

This engine is a 2001 Mercury Mercruiser 5.7L EFI Sterndrive package with a Bravo 3 Drive. Motor runs Great and is in good condition. This motor was well cared for. Serial # OM042191 .Motor was serviced at appropriate intervals. Motor was freshened up replacing manifolds and risers and the oil pan. A thorough 21 point inspection was completed- everything seems to be in good working order.

Compression test results on this engine are

#1-200psi #2-200psi #3-200psi #4-200psi #5-200psi #6-200psi #7-200psi #8-200psi

This is an inexpensive way to begin those memorable family adventures.
